About Tilburg

Large enough to find plenty to do, but still small enough to run into people you know, Tilburg is an idyllic, entrepreneurial and cultural city with a world-class public institutions and a calendar packed with public events of all kinds. And it's a true university city, too: with a population of 30,000 students, 1 out of 8 individuals is a student!

Tilburg inspires and surprises. "I didn't realize that Tilburg is such an interesting city," is one of the most frequently heard comments from first-time visitors. There is so much to see and do, not least in the field of arts and culture. Once you have experienced the 'Burgundian lifestyle' for which the region is so renowned, we know that you'll be back for more (source: <http://www.vvtilburg.nl>). In addition, travelling on the weekends could not be easier: With booming cities like Rotterdam, Amsterdam, Brussels and Paris just a train ride away, your travel calendar will fill up quickly.

Campus life

With our green campus designed to be fast and easy to navigate, you will be able to stroll between the library and your lecture hall or your favorite café in no time. All university buildings are within walking distance from each other and set amidst landscaped gardens and open green spaces.
