

November 2008

Dear Sir/Madam,

Research Postgraduate Studies at the University of Hong Kong

It gives me great pleasure to introduce our research postgraduate programmes to your faculty and students. We are now inviting applications for admission to read for the Master of Philosophy (MPhil) and Doctor of Philosophy (PhD) programmes for the 2009-10 academic year. Applicants may choose to pursue their MPhil and PhD studies in over 120 academic departments and research centres covering a wide range of programmes in the Faculties of Architecture, Arts, Business & Economics, Dentistry, Education, Engineering, Law, Medicine, Science and Social Sciences. We have set up the University Postgraduate Fellowships for outstanding students from universities all over the world who would like to pursue full-time PhD studies in our University. The Fellowships of HK\$70,000 (US\$8,970) is awarded in addition to our full studentships, which is currently HK\$157,200 (US\$20,150) per annum for qualified full-time MPhil and PhD candidates.

I would be grateful if you could display the enclosed posters in high traffic areas for your students. If you would like additional information about our programmes, please feel free to contact us via email at gradsch@hku.hk or visit our website at <http://www.hku.hk/gradsch>.

Thank you for your kind assistance.

Yours sincerely,

Anthony Yeh (Prof.)
Dean, Graduate School

Encls.
